

Allison Transmission's Third Quarter 2020 Results Conference Call Delayed Due to Service Provider Technical Issues

October 29, 2020

INDIANAPOLIS--(BUSINESS WIRE)--Oct. 29, 2020-- **Allison Transmission Holdings Inc. (NYSE: ALSN)**, the largest global manufacturer of medium- and heavy-duty fully automatic transmissions and a supplier of commercial vehicle propulsion solutions, including electric hybrid and fully electric propulsion systems, announced this morning that it will delay the Company's earnings conference call to discuss its financial results for the third quarter 2020, due to conference call service provider technical issues. Once an alternative solution has been found, we will announce a rescheduled date and time.

About Allison Transmission

Allison Transmission (NYSE: ALSN) is the world's largest manufacturer of fully automatic transmissions for medium- and heavy-duty commercial vehicles and medium- and heavy-tactical U.S. defense vehicles, as well as a supplier of commercial vehicle propulsion solutions, including electric hybrid and fully electric propulsion systems. Allison products are used in a wide variety of applications, including on-highway trucks (distribution, refuse, construction, fire and emergency), buses (school, transit and coach), motorhomes, off-highway vehicles and equipment (energy, mining and construction applications) and defense vehicles (wheeled and tracked). Founded in 1915, the company is headquartered in Indianapolis, Indiana, USA. With a market presence in more than 80 countries, Allison has regional headquarters in the Netherlands, China and Brazil with manufacturing facilities in the U.S., Hungary and India. Allison also has approximately 1,500 independent distributor and dealer locations worldwide. For more information, visit allisontransmission.com.
