Explanation of Responses:

- 1. The deferred stock units ("DSUs") represent the portion of the reporting person's annual equity award under the Allison Transmission Holdings, Inc. (the "Company") Second Amended and Restated Non-Employee Director Compensation Policy deferred pursuant to the Company's Amended and Restated Non-Employee Director Deferred Compensation Plan.
- 2. Each DSU is the economic equivalent of one share of the Company's common stock. The annual retainer and other fees are payable quarterly in arrears. The DSUs become payable, in common stock, or at the Company's election, cash, at the earlier of the reporting person's separation from service or a change in control. DSUs earn dividend equivalents when dividends are declared on the Company's common stock.
- 3. The number of DSUs received was calculated based on \$27.56, which was the closing price of the Company's common stock on the date of grant.

Remarks:
